## RELATIVE TO LECTURE OF H. R. KNICKERBOCKER

Mr. Carrington offered the following resolution:

H. S. R. No. 225, Relative to lecture of H. R. Knickerbocker.

Whereas, The crisis in Europe daily grows more critical, and the people of the United States become more anxiously conscious that Democracy is facing its more serious test; and

Whereas, The free exchange of information, without censorship, is regarded by the people of the United States as one of their most priceless Democratic privileges; and

Whereas, The people of the United States recognize that much of the information concerning European affairs today that reaches this country is hampered and restricted by military censorship; and

Whereas, The people of the United States wish to extend a helping hand to the wounded and distressed peoples of besieged Democracies in Europe, and

Whereas, H. R. Knickerbocker, former Texan and International

News Service foreign correspondent, is recognized as one of this country's most distinguished and fearless newspaper representatives abroad; and

Whereas, Proceeds from his lecture in Gregory Gymnasium on the University of Texas Campus Thursday night, April 24, at eight o'clock, are to be given to Young America Wants to Help, now,

Therefore, be it resolved, That the Forty-seventh Texas Legislature commend the University of Texas and Theta Sigma Phi, women's journalism fraternity, for giving Austin people an opportunity to hear H. R. Knickerbocker describe and analyze—without the restriction of censorship—the actual conditions in Europe today; and

Be it further resolved, That the Forty-seventh Texas Legislature commend Theta Sigma Phi, women's journalism fraternity, for giving Austin people an opportunity to make their contribution to the Young America Wants to Help campaign.

CARRINGTON,  
STANFORD.

The resolution was read second time and was adopted.

## TO GRANT PERMISSION TO SUE THE STATE

Mr. Chambers offered the following resolution:

H. C. R. No. 101, To grant Permian Oil Company permission to Sue the State.

Whereas, Surveys 101, 102, 103 and 104 in Block 194, T. C. Ry. Co., in Pecos County, Texas, were office surveys and not surveyed on the ground and are located in what is commonly known as the Yates Oil Field in Pecos County, Texas; and whereas, Runnels County School Land Survey No. 3 in Pecos County, Texas, is also an office survey, depending in part for its ground location upon the location of the Southeast corner of Survey No. 70, I. & G. N. Ry. Co., Block No. 1, in Pecos County, Texas, and the location of other I. & G. N. Ry. Co. River surveys called for in its field notes; and whereas, T. C. Ry. Co. Surveys 101, 102, 103 and 104 are a system of surveys, the said Survey 101 calling to begin at the Southwest corner of

Runnels County School Land and each of the other surveys calling for the next preceding survey to the west of it in said system; and whereas, the State of Texas sold Surveys 102 and 104 with reservation of all mineral estate, while Surveys 101 and 103 were granted without any mineral reservation; and whereas, all of said surveys are producing oil and it is important to have their boundaries determined and fixed by final judgment binding not only on the surface estate and oil and gas lease owners and individual royalty owners in said surveys, but also binding upon the State of Texas; and whereas, the State of Texas has heretofore patented to John H. Tyler Survey No. 1 of 24.41 acres purporting to adjoin said Survey 104 on the east according to its field note description and has heretofore awarded oil and gas leases to V. C. Hogan, Cardinal Oil Company and M. D. Bryant on alleged vacant public land claimed to lie between said John H. Tyler Survey No. 1 and said Survey 104, under each of which leases so awarded by the State of Texas 1/8th royalty of oil and gas has been reserved; and whereas, producing oil wells have been drilled on said alleged vacant tracts under said leases from the State and a large quantity of oil has been produced; and whereas, the surface estate owners and owners of royalty in Survey 104, Block 194, T. C. Ry. Co., assert that all of said alleged vacant land, including a portion of said John H. Tyler Survey No. 1, is in fact a part of said Survey 104, and that they are entitled to all the oil produced therefrom save and except the 1/16th royalty belonging to the State of Texas; and whereas, the owners and claimants of royalty in Survey 103, Block 194, T. C. Ry. Co., claim all of the royalty from the area they claim to be the east part of Survey 103, but one-half of which royalty from such area will belong to the State of Texas in the event the boundaries of Survey 103 are so located as to establish the State's title to the alleged vacant tracts above mentioned; and whereas, suit No. 37, styled Permian Oil Company, et al., plaintiffs, versus Mrs. M. A. Smith, et al., defendants, involving the title to the surface and

the oil and gas royalty estate in said Survey 103 and suit No. 77, styled Permian Oil Company, et al., plaintiffs, versus Jerry Monroe, et al., defendants, involving the title to Survey 104, Block 194, T. C. Ry. Co., (the owners of said Survey 104 claiming same to be located on the ground so as to include all of said alleged vacant tracts and a part of said John H. Tyler Survey No. 1,) are pending in the 112th District Court of Pecos County, Texas, and are set for trial June 2, 1941; and whereas, in said suits all of the surface and royalty title owners and claimants in Survey 103 and all of the surface and royalty title owners in said Survey 104 are parties to said suits, but the State of Texas is not a party to either of said suits and some of the defendants are urging pleas in abatement to the trial of the boundary issues and issues arising out of boundaries involved in said suits on the ground that the State of Texas is an indispensable party to said suits; and whereas, judgments establishing the boundaries of said tracts of land and adjudicating the property rights of the parties to said suits will not be binding and conclusive upon the State of Texas; and whereas, it is desirable that boundary questions involving said surveys should be fully and finally adjudicated as between all interested parties, including the State of Texas.

And whereas, Permian Oil Company, C. W. Hoffmann, J. W. Quinn and J. B. Dibrfell, Jr., as trustees of said Permian Oil Company, for themselves and the other owners and claimants of title in said surveys, respectfully petition the Legislature of the State of Texas to grant consent for the State of Texas to be sued in said suits Nos. 37 and 77 by the plaintiffs and other owners and title claimants in said respective suits in order to establish the boundaries on the ground of said Surveys 103 and 104 and to recover all such relief as they or any of them may be entitled to as against the State of Texas by reason of the location on the ground of said surveys by judgment in said suits.

Therefore, be it

Resolved, by the Legislature of Texas, That the plaintiffs in said

suits for themselves and on behalf of all other title owners and claimants of title in said Surveys 103 and 104 and/or any other party or parties to said suits are hereby granted permission to sue the State of Texas in said suits Nos. 37 and 77, pending in the 112th District Court of Pecos County, Texas, and seek to recover the said surveys as asserted by them to be actually located upon the ground and to establish the boundaries thereof and seek to recover of the State of Texas all such relief as they may be entitled to in relation thereto and for any acts and conduct of the State with reference to the disputed areas, and the Attorney General is here now authorized and directed to appear and answer for the State of Texas on or before June 2, 1941.

The resolution was read second time and was referred by the Speaker to the Committee on State Affairs.

#### SENATE BILL NO. 126 ON THIRD READING

The Speaker laid before the House, on its third reading and final passage,

S. B. No. 126, A bill to be entitled "An Act authorizing trustees of Common School Districts and Consolidated Common School Districts to make contracts with superintendents, principals, and teachers, etc.; and declaring an emergency."

The bill was read third time.

Mr. Reed of Bowie moved to postpone further consideration of Senate Bill No. 126 until 11:00 o'clock a. m. next Thursday.

HOUSE BILL NO. 279 ON  
SECOND READING

(By Unanimous Consent)

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 279, A bill to be entitled "An Act to amend Section 2 of Senate Bill 575, Acts of the 42nd Legislature, Regular Session, approved April 31, 1931, being an Act to establish a system of public roads and bridges for Bexar County and granting certain powers to the Commissioners' Court of said county with reference thereto authorizing the Commissioners' Court to hire all necessary road machinery, tools or teams, and by agreement of the parties to apply the rental upon the purchase price thereof in the event the county purchases the same; and declaring an emergency."

The bill was read second time.

Mr. Crosthwait offered the following committee amendments to the bill:

Amend House Bill No. 279 by striking out all below the enacting clause and substituting in lieu thereof the following:

Section 1. That Section 2 of Senate Bill 575, Acts of the 42nd Legis-

lature, Regular Session, approved April 30, 1931, being an "Act to establish a system of public roads and bridges for Bexar County, and granting certain powers to the Commissioners' Court of said County with reference thereto," be and the same is hereby amended so that the same as so amended, shall hereafter read as follows:

"Sec. 2. Subject to the provisions of this Act and the Law relating to County Auditors, said County shall have the power and it shall be its duty, from time to time to purchase any and all such teams, tools, implements, machinery, materials and supplies and to employ such hands and teams, and to make, on behalf of said County any and all such contracts as said Court may deem proper, and that shall be reasonably necessary to carry into effect the provisions of this Act and to provide for the public needs in relation thereto. Provided, however, that the Commissioners' Court of said County shall have power and authority to hire all necessary road machinery, tools or teams, and by agreement of the parties to apply the rental upon the purchase price thereof, in the event the County purchases the same; provided that the purchase is made in compliance with Sections 9 and 28 of this Act and the provisions of law relating to competitive bidding."

Sec. 2. The fact that the law as now in force makes no provision authorizing the Commissioners' Court of Bexar County to apply such rentals upon the purchase price of any such road machinery, tools or teams, thereby resulting in the total loss of such rentals paid by Bexar County, creates an emergency and imperative public necessity authorizing the suspension of the Constitutional Rule requiring bills to be read on three several days be, and the same is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

Amend House Bill No. 279 by striking out all above the enacting clause and substituting in lieu thereof the following:

CONFERENCE COMMITTEE  
REPORT ON HOUSE  
BILL NO. 405

Mr. Bruhl submitted the following Conference Committee report on House Bill No. 405:

Austin, Texas, April 22, 1941.

Honorable Homer Leonard,  
Speaker, House of Representatives  
Austin, Texas

Dear Mr. Speaker: We, your Conference Committee, appointed to adjust the differences between the two Houses on House Bill No. 405, have met and beg leave to recommend that said House Bill No. 405 be passed in the form hereto attached.

Respectfully submitted,

BRUHL,  
DUCKETT,  
SETERFITT,  
PHILLIPS.

On the part of the House.

BROWNLEE,  
KELLEY,  
SULAK.

On the part of the Senate.

By Mr. Bruhl:

H. B. No. 405,

A BILL

To Be Entitled

An Act amending the "Lower Colorado River Authority Act," Chapter 7, Acts of the Fourth Called Session, Forty-third Legislature, by adding a new section to be known as Section 3a, to provide that Directors of the Authority who shall be appointed subsequent to the effective date of this Act shall be residents of and freehold property taxpayers of the counties comprising the district known as the Lower Colorado River Authority, as named in Section 1 of said Act, and shall have been such residents of and freehold property taxpayers in one of said counties for not less than two (2) years next preceding such appointment; providing that not more than one of such Directors shall be residents of the same county, and all such Directors shall be appointed with the advice and consent of the Senate; and declaring an emergency.

Be It Enacted by the Legislature of the State of Texas:

Section 1. That Chapter 7 of the Acts of the Fourth Called Session of the Forty-third Legislature, known and cited as the "Lower Colorado River Authority Act," be and the same is hereby amended by adding thereto a new section following Section 3, to be known as Section 3a, and to read as follows:

"Sec. 3a. From and after the effective date of this Act, every Director appointed to the Board of Directors of the Lower Colorado River Authority shall be a resident of and freehold property taxpayer of one of the counties comprising the district known as the Lower Colorado River Authority, as named in Section 1 of said Act, and shall have been such resident of and freehold property taxpayer in one of said counties for not less than two (2) years next preceding such appointment; providing that not more than one of such Directors shall be residents of the same county and all such Directors shall be appointed with the advice and consent of the Senate."

"It is expressly provided, however, that any Director residing within the district at the effective date of this Act shall be eligible for reappointment."

Sec. 2. The fact that under the present law, Directors of the Lower Colorado River Authority may be appointed from any county in the State, and the fact that many counties in the State are not situated within the watershed of the Colorado River, or adjacent to the Colorado River, and the fact that it is desirable that the Directors of the Authority be residents of such districts, and be appointed with the advice and consent of the Senate, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Mr. Phillips moved that the report be adopted.

Mr. Bell moved that the report be not adopted and that a new Confer-

ence Committee be requested to adjust the differences.

The motion by Mr. Bell prevailed.

H. B. No. 14, A bill to be entitled "An Act to amend Article 954, Code of Criminal Procedure, to authorize the Governor to remit fines, forfeitures of recognizances and bail bonds; and declaring an emergency."

The bill was read second time.

Mr. Stinson offered the following amendment to the bill:

Amend House Bill No. 14 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. That Article 954 of the Code of Criminal Procedure be and the same is hereby amended to hereafter read as follows:

"Article 954. The Board of Pardons and Paroles shall, without delay when application is made, pass on all requests for the remission of fines, recognizances and forfeiture of bail bonds; and if said Board favors such remission, the Board shall, without delay, recommend the same to the Governor. When such recommendation has been made by the Board of Pardons and Paroles to the Governor, he shall forthwith, unless for good cause shown, remit in writing such fines, forfeitures of recognizances and bail bonds."

Sec. 2. As the method for the remission of fines, recognizances and forfeitures of bail bonds is now cumbersome and inadequate, the crowd-

ed condition of the calendar and the near approach to the end of the session constitutes an emergency and an imperative public necessity that the Constitutional Rule, requiring bills to be read on three several days in each House, be and the same is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

The amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 14 was then passed to engrossment.

#### HOUSE BILL NO. 14 ON THIRD READING

Mr. Stinson moved that the Constitutional Rule requiring bills to be read on three several days be suspended, and that House Bill No. 14 be placed on its third reading and final passage.

**HOUSE BILL NO. 332 ON  
SECOND READING**

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 332, A bill to be entitled "An Act to amend Articles 120, 121, 127, 128, 133, 134 and 135 and to repeal Articles 122, 123, 124, 125 and 126 of Chapter Seven, Title Four of the Revised Civil Statutes of Texas, 1925, said Article 120, as hereby amended, to include the contagious disease known as yellows; the contagious disease known as "peach mosaic"; the contagious disease known as "phony peach" and other contagious diseases and other injurious insect pests, and including and naming certain trees and/or plants susceptible to such contagious diseases and/or injurious insect pests; said Article 121, as hereby amended, to include all provisions for determination of nuisances; abatement of nuisance; notice of existence of nuisance; notice period; etc., and declaring an emergency."

The bill was read second time.

Mr. Allison offered the following committee amendment to the bill:

Amend House Bill No. 332 by striking out all below the enacting clause and inserting in lieu thereof the following:

That Art. 120 of Chapter VII, Title Four, Revised Civil Statutes of Texas, 1925, be amended so as to read as follows:

Art. 120—Diseases and Pests. No person in this State shall knowingly or wilfully keep any peach, almond, apricot, nectarine or other trees affected with the contagious diseases

known as "yellows," "peach mosaic" or "phony peach," nor keep for sale any apple, peach, plum or other tree affected with nematode galls, crown galls, fire blight or root rot. No person shall knowingly or wilfully keep any plum, cherry or other trees affected with the contagious disease or fungus known as black knot or plum canker; nor any tree, shrub or plant infested with or by the San Jose scale or other insect pest dangerously injurious to or destructive of trees, shrubs or other plants; nor any grapefruit, orange or lemon trees, citrus stocks, cape jasmines or other trees, plants or shrubs infested with "white fly," Florida scale, cottony cushion scale, wooly aphis, or other injurious insect pests, or citrus canker, or other contagious diseases of citrus fruits; nor subtropical plants, shrubs, evergreens or ornamentals; nor any china, forest or other trees, shrubs, or plants infested with injurious insect pests or contagious diseases.

That Art. 124 of Chapter VII, Title Four, Revised Civil Statutes of Texas, 1925, be amended to read as follows:

Art. 124—Appeal. Any person aggrieved by any order or notice of the Commissioner shall have the right of appeal to any court of competent jurisdiction, such appeal shall be taken within ten days from and after receipt of such notice or order, and not thereafter. Such appeal shall be heard by said court in term time or vacation. If the decision on such appeal shall be against such person, or if such person shall fail or neglect to perfect his appeal in the manner in this section provided, the order or notice of the Commissioner shall be final and the Commissioner, his agents or employees, shall summarily execute such notice or order and place such premises in compliance therewith. The sheriff or any constable of any court within this State shall, on request of the Commissioner, his agent or employee, go upon any premises within this State for the purpose of assisting in the enforcement of such order or notice and placing such premises in compliance therewith. Any person who shall wilfully or negligently violate any of the terms and provisions of

this Act, or wilfully or negligently fail or refuse to comply with any rule, regulation, order or notice of the Commissioner, issued by said Commissioner pursuant to the duties upon him herein imposed, or the authority to him herein granted, shall, upon conviction, be fined not less than Twenty-five (\$25.00) Dollars nor more than Two Hundred (\$200.00) Dollars, and each day upon which any person shall maintain any premises within this State in a condition of non-compliance with the provisions of this Act after due notice has been given, as herein provided, shall be deemed a separate offense.

That Art. 126 of Chapter VII, Title Four, Revised Civil Statutes, 1925, be amended so as to read as follows:

Art. 126—Examination and Certificate. To ascertain whether nursery stock is infected with diseases or pests, the Commissioner shall cause to be made at least once each year an examination of each nursery or other place where nursery stock is exposed for sale. If such nursery stock is apparently free in all respects from infection or infestation, the Commissioner, upon receipt of inspection fee provided by this Act, shall issue to the owner or person in control of such stock, a certificate reciting that the stock examined was at the time of such examination apparently free from any such disease or pest. No such certificate shall be negotiable or transferable, and, if sold or transferred, shall be void. Any person offering for sale any nursery stock without a certificate of inspection, as herein provided, shall be deemed to be in violation of this Act.

That Article 128 of Chapter VII, Title Four, Revised Civil Statutes, 1925, be amended so as to read as follows:

Art. 128—Nursery Stock Shipped Into State. No person, partnership or corporation outside this State shall be permitted to ship nursery stock into this State without having first filed with the Commissioner of Agriculture a certified copy of his, or their, certificate of inspection, issued by the proper authorities in the

State from which the shipment originates. Such certificate shall show that the stock to be shipped has been examined by the proper officers of inspection in such State, and that it is apparently free from all dangerous insect pests or contagious diseases, and when fumigation or other special treatment is required by the Commissioner of Agriculture that the stock has been properly fumigated or treated. Upon receipt of such certificate, and provided that such certificate shall be acceptable to the Commissioner and approved by him, the Commissioner shall issue to such applicant a Texas importation certificate which shall permit the applicant to ship the nursery stock described into the State of Texas. For the issuance of any importation certificate the Commissioner shall charge a fee commensurate with the services rendered, which said fee shall in no event exceed five (\$5.00) dollars. Each box, bale or package of nursery stock from outside the State shall bear a tag on which is printed a copy of the certificate of this State, and also a copy of the certificate of the State in which it originates.

#### Saving Clause

If any section, sub-section, clause or phrase of this Act is, for any reason, held to be unconstitutional, the unconstitutionality thereof shall not affect the validity of the remaining portion of this Act. The Legislature hereby declares that it would have passed this Act and each section, sub-section, sentence, clause and phrase thereof irrespective of the fact that any one or more sections, sub-section, sentence, clauses or phrases be declared unconstitutional.

#### Emergency Clause

The fact that the nurseryman of the State of Texas will suffer heavy losses unless prompt regulation of the movement of nursery stock within this State, and the movement of nursery stock from foreign states into this State is provided, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each house be suspended and that this Act take effect

and be enforced from and after its passage, and it is so enacted.

FUCHS.

The amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 332 was then passed to engrossment.

#### HOUSE BILL NO. 332 ON THIRD READING

Mr. Allison moved that the Constitutional Rule requiring bills to be read on three several days be suspended and that House Bill No. 332 be placed on its third reading and final passage.

### HOUSE BILL NO. 414 ON SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 414, A bill to be entitled "An Act amending Section 1 of Chapter 58 of the General Laws of the Forty-second Legislature, Regular Session, as amended by Chapter 97 of the General Laws of the Forty-third Legislature, Regular Session, and declaring an emergency."

The bill was read second time.

Mr. Clark offered the following committee amendment to the bill:

Amend H. B. No. 414 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. Chapter 58, Section 1, of the Acts of the Forty-second Legislature, Regular Session, as amended by Chapter 97, of the Acts of the Forty-third Legislature, Regular Session, is amended so as hereafter to read as follows:

"Section 1. The term 'Marginal Well' as used herein means any oil well which is incapable of producing its maximum capacity of oil except by pumping, gas lift, or other means of artificial lift, and which well so equipped is capable, under normal unrestricted operating conditions, of producing such daily quantities of oil as herein set out as would be damaged, or result in a loss of production ultimately recoverable, or cause the premature abandonment of same, if its maximum

daily production were artificially curtailed. The following described wells shall be deemed 'Marginal Wells' in this State:

"(a) Any oil well incapable of producing its maximum daily capacity of oil except by pumping, gas lift, or other means of artificial lift, within this State, and having a maximum daily capacity for production of ten (10) barrels or less, averaged over the preceding thirty (30) consecutive days, producing from a depth of two thousand (2,000) feet or less.

"(b) Any oil well incapable of producing its maximum daily capacity of oil except by pumping, gas lift, or other means of artificial lift, within this State and having a maximum daily capacity for production of twenty (20) barrels or less, averaged over the preceding thirty (30) consecutive days, producing from a horizon deeper than two thousand (2,000) feet and less in depth than four thousand (4,000) feet.

"(c) Any oil well incapable of producing its maximum daily capacity of oil except by pumping, gas lift, or other means of artificial lift, within this State and having a maximum daily capacity for production of twenty-five (25) barrels or less, averaged over the preceding thirty (30) consecutive days, producing from a horizon deeper than four thousand (4,000) feet and less in depth than six thousand (6,000) feet.

"(d) Any oil well incapable of producing its maximum daily capacity of oil except by pumping, gas lift, or other means of artificial lift, within this State and having a maximum daily capacity for production of thirty (30) barrels or less, averaged over the preceding thirty (30) consecutive days, producing from a horizon deeper than six thousand (6,000) feet and less in depth than eight thousand (8,000) feet.

"(e) Any oil well incapable of producing its maximum daily capacity of oil except by pumping, gas lift, or other means of artificial lift, within this State and having a maximum daily capacity for production of thirty-five (35) barrels or less, averaged over the preceding thirty (30) consecutive days, producing

from a horizon deeper than eight thousand (8,000) feet."

Sec. 2. The fact that the present definition of the term "Marginal Well" leaves uncertain the question of whether all wells which are incapable of producing their maximum daily capacity of oil except by pumping, gas lift, or other means of artificial lift are included within the definition of said term and that such uncertainty operates as an impediment to the administration of the conservation laws of the State of Texas in the equitable distribution of the allowable production of oil creates an emergency and an imperative public necessity requiring that the Constitutional Rule which requires bills to be read on three several days be suspended and such rule is hereby suspended, and this Act shall take effect from and after its passage, and it is so enacted.

The committee amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 414 was then passed to engrossment.

HOUSE BILL NO. 452 ON  
SECOND READING

The Chair laid before the House, on its second reading and passage to engrossment,

H. B. No. 452, A bill to be entitled "An Act to permit the commissioners' court of any county to appropriate out of the general fund of

the county funds for the care and maintenance of and/or services to any needy child or children in such county; providing that boarding homes licensed by the Division of Child Welfare, State Department of Public Welfare, shall be used for children to be detained or cared for away from their parents or guardians; permitting the juvenile judge to make a general order relative to the detention of children prior to court hearing; defining the term 'juvenile court'; declaring an emergency."

The bill was read second time.

Mr. Boone offered the following committee amendment to the bill:

Amend House Bill No. 452 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. The Commissioners' Court of any county may appropriate funds from its general fund, or any other available funds, for the administration of county child welfare boards, and provide services to and/or support or maintenance for indigent children in need of protection and/or care, either in their own homes or in foster homes.

"Sec. 2. When children have been declared dependent and neglected or adjudged delinquent, or when children alleged delinquent are to be detained until further investigation, study of their case, or pending a court hearing, the county may also appropriate funds to provide for the care of such children away from their own homes.

"Sec. 3. All Acts, laws, or parts thereof in conflict with this Act are hereby repealed.

"Sec. 4. If any provision of this Act shall be held to be invalid, it is declared to be the intention of the Legislature that all other provisions of this Act shall remain in full force and effect.

"Sec. 5. The fact that it is difficult to plan adequately for some needy, dependent, neglected and delinquent children requiring services, assistance and/or foster home care and the further fact that many children are being detained in jail unnecessarily, many of whom could

either remain in their own homes or foster homes pending a court hearing, and that unnecessary jail detention has been and is recognized by the Legislature as harmful to the welfare of the child and to society, creates an emergency and an imperative public necessity that the Constitutional Rule requiring that bills be read on three several days be suspended, and the same is hereby suspended and this Act is to take effect and be in full force and effect from thirty (30) days after its passage, and it is so enacted."

**CROSTHWAIT.**

The amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 452 was then passed to engrossment.

HOUSE BILL NO. 537 ON  
SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 537, A bill to be entitled "An Act amending Article 779 of the

Revised Statutes; providing for the investment of county and road district sinking funds, and declaring an emergency."

The bill was read second time.

Mr. Burnaman offered the following amendment to the bill:

Amend House Bill No. 537 by striking out all below the enacting clause, and insert the following:

Section 1. Article 779 of the Revised Civil Statutes of Texas, 1925, is hereby amended so as to hereafter read as follows:

"Article 779. Investment of Sinking Fund. The Commissioners Courts may invest sinking funds accumulated for the redemption and payment of any bonds issued by such county, political subdivision, road district, or defined district thereof, in bonds of the United States, of Texas, or any county in this State, or any school district or road district of this State, or any incorporated city or town of this State; or in bonds of the Federal Farm Loan Bank system, or in war-savings certificates, and certificates of indebtedness issued by the Secretary of the Treasury of the United States. No such bonds shall be purchased which, according to their terms, mature at a date subsequent to the time of maturity of the bonds for the payment of which such sinking fund was created."

Sec. 2. All laws or parts of laws in conflict herewith are expressly repealed.

Sec. 3. The fact that Commissioners Courts of this State under the existing law do not have authority to invest sinking funds of road districts in the bonds of any road district, school district, city or town, or in war-saving certificates or certificates of indebtedness issued by the Secretary of the Treasury of the United States, and the further fact that large daily balances are carried by many of the road districts of this State with little or no interest being paid thereon which can be properly invested in such bonds, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby

suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 537 was then passed to engrossment.

#### HOUSE BILL NO. 678 ON SECOND READING

The Chair laid before the House, on its second reading and passage to engrossment,

H. B. No. 678, A bill to be entitled "An Act requiring the Comptroller of Public Accounts to collect all State Occupation Taxes; repealing all laws in conflict therewith."

The bill was read second time.

Mr. Alsup offered the following amendment to the bill:

Amend H. B. No. 678 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. The Comptroller of Public Accounts of the State of

Texas is, from January 1, 1942, the effective date of this Act, authorized and required to collect and all persons, firms, corporations or associations shall pay to the Comptroller of Public Accounts all State Occupation Taxes levied upon any occupation or business by Articles 7047, 7047d and 7429a, Revised Civil Statutes, 1925, any law or parts of laws to the contrary notwithstanding.

Sec. 2. The Comptroller of Public Accounts shall have the power and authority to make and publish rules and regulations, not inconsistent with any existing laws or of the Constitution of this State or of the United States, for the enforcement of the provisions of this Act and the collection of revenues hereunder.

Sec. 3. If any person in this State shall fail to comply with the rules and regulations promulgated by the Comptroller of Public Accounts or violate the same, he shall forfeit to the State the sum of not less than \$25.00 nor more than \$500.00. Each day's violation shall constitute a separate offense and incur another penalty, which if not paid shall be recovered in a suit by the Attorney General of this State in a court of competent jurisdiction in Travis County, Texas, or any other court having jurisdiction.

Sec. 4. If any person, firm, corporation or association of persons engaging in or pursuing any occupation on which, under the laws of this State, an occupation tax is imposed, who fails or refuses to pay such tax, and it becomes necessary to intervene in any manner for the establishment of collection of said tax claims or penalties provided for under the laws of this State, in any judicial proceedings, a claim showing the amount of tax due the State, certified to by the Comptroller of Public Accounts or his Chief Clerk shall be admissible in evidence in such proceedings and shall be prima facie evidence of the contents thereof; provided however that the incorrectness of said claim may be shown.

Sec. 5. Venue of any civil suit or other civil proceedings filed under the provisions of this Act shall be in a court of competent jurisdiction in Travis County, Texas, or in the county where the defendant in such proceedings has his domicile.

Sec. 6. Venue of a prosecution for violation of any provision of this Act shall be in Travis County, Texas, or in the county where the offense occurred.

Sec. 7. All laws and parts of laws in conflict herewith and requiring the assessors-collectors of the various counties of the State to collect State Occupation Taxes levied by Articles 7047, 7047d and 7429a, Revised Civil Statutes, 1925, are hereby expressly repealed. Provided, however, that all occupation taxes, penalties and interest accruing to the State of Texas by virtue of any of the reenacted or repealed provisions as set out in this Act before the effective date of this Act shall be and remain valid and binding obligations to the State of Texas for all taxes, penalties, and interest accruing under the provisions of prior or pre-existing laws, and all such taxes, penalties and interest now or hereafter becoming delinquent to the State of Texas before the effective date of this Act are hereby expressly preserved and declared to be legal and valid obligations to the State.

The passage of this Act shall not affect offenses committed, or prosecutions begun, under any pre-existing law, but any such offenses or prosecutions may be conducted under the law as it existed at the time of the commission of the offense.

Sec. 8. If any article, section, subsection, sentence, clause or phrase of this Act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Act. The Legislature hereby declared that it would have passed this Act and each section, subsection, sentence, clause and phrase thereof irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases should be declared unconstitutional.

The amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 678 was then passed to engrossment.
